\*We ask that all dancers and their guests stay for the entire length of the Recital. Recital will run for about 1 hour and 30 minutes. **All dancers** are performing in the finale dance to close out the show. It is heartbreaking for dancers to see people leave during their performance.

\*Please be respectful of all dancers. **Do not get up and move around while dancers perform onstage.** If you need to get up, please do so in between dance performances. Dancers notice when people are moving around and this can be very distracting..

\*Please **do not take photos or record during the recital show.** You can take pictures and record during dress rehearsal. As a reminder, the recital show will be videotaped by a videographer and all families receive a digital download of the performance. Please be mindful of the videographer when moving around - **do not walk in front of the videographer.**

\*Do NOT play in elevators. We have had issues in the past. Please only use elevators for their intended use.
